Goals for 2018: Get more experience by racing different tracks/competition. Top 10 finish at 2018 Thanksgiving Thunder.

What got you into racing: Nicholas got into racing after a fellow kindergartener brought in his racing trophy for show and tell. When Nicholas' mom picked him up from school that day, Nicholas rushed over to the trophy and said "I want to do a competition." Nicholas' mom called Dad to let him know what was coming. As they say, the rest is history. Nicholas had his first kart by the end of the day.
